## **Social Media and Animal Control**

Social Media is a great means of communicating and sharing information. When expressing opinions and referring to Animal Control, please be aware of the affects the comments may have on the Humane Society. We are working to improve our relationship with Animal Control in the best interest of the animals we both serve. When negative comments are made on social media related to Animal Control this reflects on the Humane Society, as a whole. While we cannot control comments made by individuals, we do ask you consider before commenting the potential consequences they may cause the Humane Society.

## **Cookbooks and Dog Bowls**

We still have plenty of cookbooks and collapsible dog bowls available.

- ◆ Cookbooks – many comments have been made about how great it is to have recipes from local cooks!!
- ◆ Dog Bowls – The collapsible dog bowls are great for using during outdoor activities. They are wonderful for storing food while on the go!!

Please contact Donna at the Adoption Center or Karen Whitehouse to get some of these great items. They are also available at The Animal Clinic and Art Alley.

## **Fundraisers/Events**

We have many events scheduled for this year. In order for them to be as successful as possible, we need everyone to pitch in!! We understand all events may not be of interest to everyone. If you find one or two to volunteer your time and ideas, that would be great!! Some of our events may not be as well-known as others so below is a brief description of some the lesser known events.

- ◆ Dog Costume Contest- In conjunction with the Adult Halloween Party held downtown, Anderson Humane sponsors a dog costume contest featuring pets and their owners. 2019 was the first year for this event. We had many happy participants!!
- ◆ Angel Paws – this event involves placing Christmas trees in our local veterinarian's offices and other local businesses agreeing to participate. The trees are decorated with ornaments with different needs at the Adoption Center.
- ◆ Dogs and Chips- this is a new venture beginning in 2020 in partnership with Animal Control. This event will provide dog owners the opportunity to chip their pet and purchase necessary license required by local government.
- ◆ Paws, Purrs and Putts Golf Scramble- A golf scramble held at Wild Turkey Trace Golf Course.
- ◆ Spaggetti Dinner – a spaghetti dinner held in partnership with the Lawrenceburg United Methodist Church mission team to support the Spay/Neuter fund.

These events are held along with the Humane Society's well established events: Garden Party, 127 Yard Sale, Rummage Sale, Rabies Clinic, and Christmas Parade.

In addition to the events/fundraisers mentioned, we also need volunteers for supply drives and adoption events held throughout the year. We want as many members as possible to participate in the events of interest to them and help support the animals!!!

## **Short and Long Range Goals**

In the January meeting, the board discussed short and long range goals for the Anderson Humane Society. A long range goal involved exploring the sustainability and feasibility of building/relocating the Adoption Center. A short term goal was seeking and encouraging recurring donations. If you have ideas/thoughts for goals to enhance the mission, please send to [president@andersonhumane.org](mailto:president@andersonhumane.org).

## I CANCELLED MY FUNERAL

By Ann Bond Chilton

“You will need a casket,” said the mortuary owner. Cha-ching. “You will also need a cement vault to put the casket in,” he added. Cha-ching. Buy a burial plot. There’s a charge to open and close the grave. Charge for the organist, the minister, embalming, mortuary services. On the Cha-chinging goes. After a few signatures, I had a policy with Forethought Life Insurance Company and would “invest” a set amount monthly for the next three years. This scenario was in 2001.

As I got closer to needing these already “paid for” services I re-thought the process. Fast-forward to 2017 and I’m in the office of one of the mortuary owners discussing my new plans. This was not a depressing time, rather, I was euphoric. Mother Earth was honored as I canceled the casket and cement vault. Only necessary services were left: cremation cost, death certificates and obituary fees. Then came the big question. “Who do you want as beneficiary for the money saved?” That was easy.” The Anderson Humane Society,” I quickly replied. (Note: I will have this changed to The AHS Endowment Fund.)
