The Anderson Humane Society is a 501(c)(3) certified non-profit organization since 1981. We receive no local, state, or federal tax support. We are able to provide our programs and services thanks to the generosity of individuals, corporations and foundations.

News from the Adoption Center

The Adoption Center has been super busy the last couple of months.

Since the end of May we have taken in over 70 cats and kittens and 30 dogs and puppies.

Due to the overwhelming influx of kittens we are offering some spay help for the community.

The Board of Anderson Humane has agreed to set aside funding to help the community spay the stray cats to get this explosion of kittens contained. Along with specific donations from the public for this venture we are giving away free spay vouchers including a rabies vaccine for any and all female stray cats. We are referring to it as The Big Fix. If you are interested in obtaining one or more of these free vouchers please contact us at 502-839-8339 or email us at ahs_40342@yahoo.com.

Unfortunately, we still have not received any information on the animal abandonment of the two litters of puppies that were found. The reward offer still stands.

We have our new dog bathing station set up in the dog kennels and it is fabulous – it is available for members to use and a donation for its use is always appreciated !!!

Thank you as always for your continued support and generosity to all the projects we do for our community and the animals who reside here.
